JOSHI FOR ASHWOOD

WHAT I STAND FOR

An independent voice, free from party politics, vested interests, lobbyists and backroom deals.

ACCOUNTABILITY

A strong, well-resourced IBAC, open procurement and a public register of lobbyists.

COST OF LIVING

Cut waste and corporate welfare, and bring bills down with cheaper renewables.

CLIMATE & ENVIRONMENT

Solar, batteries and insulation for every household, renters included.

COMMUNITY SAFETY

Visible local policing and real support for family violence victims.

TRANSPORT

More frequent, reliable trains on the Glen Waverley and Alamein lines, and safer bike paths.

HOUSING

Smarter community housing and real help for first-home buyers, keeping Ashwood liveable.

INTEGRITY · INCLUSIVITY · ACCOUNTABILITY · TRANSPARENCY
