Candidate: Hitendra Joshi

Hitendra Joshi is a Community Independent candidate for the Victorian Legislative Assembly seat of Ashwood at the November 2026 state election. He is a local dad, engineer and badminton coach who lives in Mount Waverley.

Hitendra grew up in Pune, India, and spent around a decade working in the Gulf before making Australia home. An Electrical Engineer and dual-MBA holder, he has worked on complex infrastructure and energy projects with people from many disciplines and backgrounds.

He is raising two children with his wife and is active in family, spiritual and community life in Ashwood. He rides push-bikes and motorbikes, runs regularly, and has a long-standing connection with badminton as both a player and a coach.

Hitendra is not running for a political party. He believes that politics should be about serving the community, and that being an elected representative is a responsibility, not a career path.
